Present Address
10020 Hudson Rd.
Woodbury, MN 55129
Cell (847) 840-4186

Permanent Address
270 Yorkshire Dr.
Fox River Grove, IL 60021

Professional Objective:

Open to relocation throughout the United States in order to teach in a classroom serving upper elementary and middle school grades specializing in the area of Mathematics

Education:

Winona State University, Winona, MN
Bachelor of Science degree

Major: Elementary Education with Middle Level Math Certification

Graduation: May 2010

Grade point average based on a 4.0 scale: 3.84

Honors:

Fall 2006 - Fall 2009: Dean's List

Fall 2006- Spring 2007: Guy Maxwell Presidential Scholarship

Fall 2009- Spring 2010: Frank Tomie Scholarship

Study Abroad:

Studied in Australia for 5 months, took a mathematics education course to compare learning and teaching styles to that of the United States, experienced learning in a culture different from my own, advocated for myself by using resources to take courses I wanted to transfer, and used organizational skills to set up transportation, housing, classes, and insurance

Field Experience and Professional Experience:

Present

Battle Creek Middle School; St. Paul, MN

- Student Teaching Placement
- Help format, organize, teach, and assess Grade 7 Pre-Algebra concepts
 - Format lessons around the learning style of an all male, urban classroom
 - Implemented an Engaging Classroom Assessment (ECA) unit
 - Continually use informal and formative assessments to gauge student learning and modify lessons
 - Experience with a Standards-based Grading System and participated in a Grading Task Force meeting to make crucial decisions
- Collaborate with colleagues and administration to modify teaching style through Professional Learning Communities and observations
- Practiced the Positive Behavior Intervention System (PBIS) and demonstrated classroom management skills through this response system
- Was involved working with the Response to Intervention system at Battle Creek Middle School, tutoring students and providing opportunities to take reassessments

- Demonstrated home communication through phone calls to the guardians and Parent-Teacher Conferences

January 2009

Central Elementary School; Winona, MN

- Created and taught math lessons to Grade 3 students
- Conducted informal assessments for understanding concepts of money
- Reflected and reformatted lessons accordingly

January 2009

Winona Middle School; Winona, MN

- Observed and taught in Grades 5-8 Middle School classrooms
- Math Room Mentor to help students understand math homework
- Mentor students in talking with math teachers to recognize missing work and problem areas

October 2009

North Woods International Elementary; La Crosse, WI

- Classroom volunteer for reading groups; utilized various reading strategies to develop understanding
- Helped assess students on basic math skills

August 2008

Goodview Elementary School; Winona, MN

- Field Experience Placement
- Taught individual reading groups for Grade 2 using a variety of reading strategies
- Observed and implemented classroom management skills
- Taught interdisciplinary Language Arts and Social Science lessons
- Used classroom management skills to structure the class

December 2007

Central Elementary School; Winona, MN

- Destination Imagination (DI) Leader
- Help students work through problem-solving strategies and teach them good group cooperation skills

Other Relevant Experience:

Leadership/Activities:

- Relay for Life Team Leader: Organized team members for participation, helped our team fundraise money, helped make fundraiser items and auctioned baskets
- Education Minnesota Student Program (EMSP): Active student member for four years, participated in monthly seminars, attended guest speakers, various workshops, and helped with on-campus events
- Intramurals: Organized various athletic teams such as volleyball and basketball, communicated with team members weekly schedule

Interests: Sports, outdoor recreation, music, volunteering, traveling
